## *2020 Return to Play Guidelines for Athletic Teams*

### **ATHLETIC PHYSICALS**

- All athletes must have a physical prior to attending the first workout session.
- Entire physical packet must be completed, including the assumption of risk forms.
- See schedule of physicals for each middle and high school on Page 2.

### **WORKOUT SESSION SCHEDULES & INFORMATION**

- Football Only                      Phase 1: June 22<sup>nd</sup> – July 3<sup>rd</sup>  
Remaining Fall Sports              Phase 1: June 29<sup>th</sup> – July 10<sup>th</sup>
- Winter/Spring Sports will continue virtual workouts until Open Season (September/December).
- Phase 1 allows athletes to participate in individual skill development and workouts. Phases 2 and 3 will be released soon by the SCHSL. At that time, coaches and athletes will be notified of expectations for those phases.
- All athletes, coaches, and staff will be screened daily. Anyone with a temperature greater than 100.4 degrees (or with positive symptoms) should not participate in the workouts and will be sent home. A negative COVID-19 test result will be required to return.
- If you are sick or have been exposed to someone with COVID-19, please stay at home!
- Athletes need to be dressed for the workout upon arrival as the use of locker rooms is prohibited.
- Each athlete will be assigned a group to participate in. Each group will consist of 9 athletes and 1 coach and will be provided a certain area of the campus to conduct the workout session daily. Social distancing is required, and there should be no personal contact with others.
- Masks must be worn by athletes when not participating in the sports activity. Coaches must wear a mask at all times during the workout session. Masks will be available if needed.
- All athletes must bring their own water bottle/jug. Water bottles/jugs must not be shared.
- All equipment and areas will be cleaned and disinfected after each use.
- After the workout session is completed, all athletes must leave campus immediately and report back home. Please be sure to also practice good hygiene before, during, and after workouts.
